Resident Spotlight: Brenda Crooks

Meet Mrs. Brenda Crooks. Brenda is from White Rock, South Carolina. Brenda's fondest childhood memory was spending time at her grandparents' house. Brenda's favorite food is ice cream. If Brenda could possess a superpower, it would be the power to become Wonder Woman. Out of all the seasons, Brenda chose springtime. She stated that she loves when the time changes, the days seem longer. Brenda enjoys walking club, socializing, and puzzle partners. If Brenda could share one piece of advice it would be that we all just learn to love each other. When asked what she likes most about Oakleaf Village she stated, "I enjoy the meals, music, and daily activities. It is a great experience."

Legend

- P Parlor
- A Activity Room
- PD Private Dining
- RR Resident's Room
- C Courtyard

Our residents enjoyed an awesome performance with Phil Urban as the King of Rock 'n' Roll, "Elvis Presley."

Our monthly "lunch bunch" trip was a true success. Residents enjoyed delicious Italian cuisine at our local Italian restaurant, "Luce Cucina Italiano."

Time for Tulips

A signal of spring's arrival is the annual appearance of tulips, one of the most popular flowers. After bulbs are planted in the fall and spend the winter being dormant, their perfectly shaped petals, atop long green stems, emerge as show stopping blooms.

EARTH DAY

APRIL 22

A GREEN EARTH
IS A HAPPY EARTH!

DIPPED STRAWBERRIES

Dress up fresh strawberries with rich chocolate for any occasion.

Ingredients:

- 24 strawberries, rinsed and patted dry
- 8 oz. bittersweet chocolate baking bar, broken into small pieces
- 1 T. vegetable shortening

Directions:

Line baking sheet with wax paper.

Microwave chocolate and shortening in a medium-sized, uncovered, microwave-safe bowl on high (100 percent) power for 1 minute. Stir. If pieces retain some of their original shape, microwave at additional 10- to 15-second intervals, stirring just until melted.

Hold strawberry by the stem or with a wooden pick and dip into melted chocolate; shake off excess. Place on prepared baking sheet; refrigerate until set, about 15 minutes.

**You can also use pretzels, nuts, dried fruit, pound cake, cookies and other bite-sized fresh fruit (rinsed and patted dry).*
